Tree (data structure) - Wikipedia pdf, Tree (data structure) - Wikipedia doc, Tree (data structure) - Wikipedia epub, Tree (data structure) - Wikipedia read online, Tree (data structure) - Wikipedia free download. Tree (data structure) - Wikipedia - A tree structure or tree diagram is a way of representing the hierarchical nature of a structure in a graphical form. It is named a "tree structure" because the classic representation resembles a tree, even though the chart is generally upside down compared to an actual tree, with the "root" at the top and the "leaves" at the bottom.
